

Eno River Unitarian Universalist Fellowship

Legacy Gift Intent Form

You are helping ensure a solid future for ERUUF through your Legacy Gift, thank you! So that we can honor your wishes, please complete this Legacy Giving Intent Form, and return to the ERUUF office, or send a digital copy to legacygiving@eruuf.org. Your form will be filed electronically, and remain secure and confidential. This is not a legally binding agreement and can be changed anytime.

The ERUUF Legacy Giving Team is here to help! Contact legacygiving@eruuf.org or visit [Ways to Give](#) on the website (www.eruuf.org).

Choosing Where Your Legacy Gift Goes - the form will ask if you would like your gift to go

(1) directly to ERUUF, to fund operations, or be added to a reserve fund, at the discretion of the Coordinating Team AND/OR

(2) to the Eno River Fellowship Foundation, to be invested in the Foundation Endowment, with the interest generated used for the benefit of ERUUF. If you choose the Foundation, you can further direct your gift to one or more funds. If you don't specify a fund, your gift will be directed to the General Fund (unrestricted use).

I. Initiatives and Enhancements Fund (the original fund)

The earnings from this fund are disbursed as grant awards to support projects and activities that enrich the ERUUF experience, and provide resources for exploring bold, new possibilities aligned with our aspirations. The Foundation Board selects annual grants and the disbursed funds cannot be used for recurring operating expenses.

II. Mission and Vision Funds

Disbursed earnings in this category will also enhance ERUUF's capacity to achieve its mission and vision, and ensure ERUUF continues to grow, mature, and prosper. Spending priorities will be decided by the Lead Minister in consultation with staff and the Coordinating Team.

1. The **General Fund** (unrestricted) can be used for any purpose, providing flexibility to use the disbursed funds where the need is greatest, enhancing ERUUF's capacity to respond to changing circumstances. **Donors are strongly encouraged to make gifts to this fund.**
2. The **Learning and Growth Fund** supports programs that enhance the growth and development of our community members at all stages of life; for example, religious education, spiritual development, personal growth, leadership development, and ministerial interns.
3. The **Building Beloved Community Fund** supports programs and activities that enhance spiritual fellowship, foster a sense of belonging and acceptance, and create a thriving and inclusive community. Examples include: the music program, worship experience, community celebrations, racial equity and inclusion workshops, and building right relationships seminars.
4. The **Beyond Our Walls Fund** supports justice activities outside of ERUUF and our efforts to strengthen Unitarian Universalism; for example, the work of a Justice Ministry Action Team, starting new UU congregations, or for innovative UU worship services off site.
